THINK DICTIONARIES
OXFORD

At **Oxford University Press**, we pride ourselves in publishing English monolingual dictionaries for all age groups to help learners explore multiple aspects of the English language. We thus stay committed to transforming lives through education.

Select the right dictionary for the right levels and as per NEP 2020, encourage learners to unlock the power of language in teaching and learning.

4.8 million copies of these dictionaries have been sold in the last two years in India.

Our portfolio of dictionaries

Did you know Oxford makes Children's Dictionaries and Thesauri by analysing millions of words from children's reading and writing?

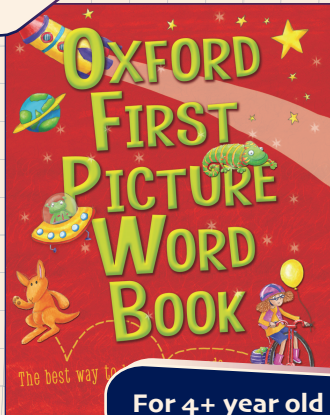

Find out more about this fabulous Oxford Corpus database and free resources at www.oxfordschooldictionaries.com

Dictionaries for middle and secondary levels that help millions of learners of English achieve their potential

Over 350 NEW words, phrases and meanings.

For children of 10-14 age group

WHICH WORD?

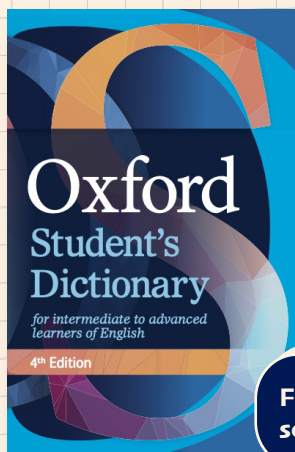

Among or between?

You can use **among** when you are talking about more than two people or things: *You're among friends here.*

If there are only two people or things, use **between**: *Sarah and I divided the cake between us. > I was standing between Alice and Cathy.*

SPELLING

Remember! You spell **angle** with L before E. You spell **angel** with E before L.

World's most trusted dictionary

For 15+ children in the secondary school and beyond
