

## Respected Principal

We at **Oxford University Press**, are excited to launch the seventh edition of **Oxford Big Read 2025**, a global reading competition for school students in India.

Reading is a fundamental life skill, which unlocks learning, supports emotional wellbeing, language development and communication skills. Reading for pleasure can be fun, and it can also help improve educational outcomes across all subjects.

What's more, this year, we select level-wise one top student's entry from among the submissions received. The selected student will be awarded a special Certificate of Recognition and a medal from us, celebrating their outstanding effort and creativity.

Give your students of **classes 1-9** an opportunity to participate in the competition.

Let them select and read their favourite OUP supplementary reader from the Oxford Big Read catalogue or an eBook from **Oxford Reading Buddy\***.

Complete the level-specific activity on the book read using the OUP form.

Submit to the designated class teachers.

Exciting prizes from **Oxford University Press**, along with additional gift hampers and vouchers from **Faber-Castell** and **Amazon**. Plus, enjoy a complimentary three-month subscription from **The Hindu Young World**.
